

1

FRIDAY

AUGUST 9TH

7:00-8:00 — *Coffee & Registration*

8:00-8:15 — *Welcome to our 2nd Annual Conference*

Speaker: Dr. William Seeds

8:15-9:30 — *Cells Response to Varying Cellular Stress*

Speaker: Dr. William Seeds

Introduction to cellular quiescence, senescence, autophagy and mitophagy. Appreciate the ability of the cell to arrest and access!

9:30-10:00 Break

10:00-11:00 — *Achieving the Ultimate Efficient State*

Speaker: Dr. William Seeds

The important pathway decisions that lead to optimization of the cell. The essential players to efficient cellular and tissue homeostasis.

11:00-12:00 — *Putting the Pieces Together*

Speaker: Dr. William Seeds

How do peptides control cellular change and what peptides you can strategically employ to make real changes in Aging and Disease!

12:00-1:30 Lunch

1:30-2:30 — *Peptides for Cosmetic Enhancement*

Speaker: Dr. Joseph Cleaver

2:30-3:00 — *Attracting Patients through Peptides*

Speaker: Keren Kang

3:00-3:30 Break

3:30-4:00 — *IPS Forum Questions Answered*

Speaker: IPS Faculty

4:00-5:00 — *New Frontiers & Developments*

Speaker: Dr. William Seeds

IPS, IRB's, and Mastermind

5:00-5:15 — *New Products*

Speaker: Ryan Smith

2

SATURDAY

AUGUST 10TH

8:00-8:30 — *Peptides for Nerve Pain & Neuropathy*

Speaker: Dr. William Seeds

8:30-10:00 — *Athletic Performance and Recovery*

Speaker: Dr. Elizabeth Yurth

10:00-10:30 Break

10:30-11:30 — *Peptides for Mental Performance*

Speaker: Dr. William Seeds

11:30-12:00 — *Autoimmune Peptide Protocols*

Speaker: Dr. Suzanne Turner

12:00-1:30 Lunch

1:30-2:30 — *Peptides for Fat Loss & Metabolic Disease*

Speaker: Dr. Suzanne Turner

2:30-3:00 — *Neurodegenerative Peptide Protocols*

Speaker: Dr. Elizabeth Yurth

3:00-3:30 Break

3:30-4:30 — *Peptides and Fertility*

Speaker: Dr. Uzzi Reiss

4:30-5:00 — *Faculty Questions & Audience Case Discussion*

Speaker: IPS Faculty

5:15-7 COCKTAIL HOUR

The Vinoy Mezzanine (Level 3)
